Be Prepared!

Hurricane season is upon us and the majority of our neighborhood is in

Evacuation Zone A.

For more information on how to prepare for hurricanes, check out this website.
<https://www.floridadisaster.org/planprepare/hurricane-supply-checklist>

Now is the time to get your trees trimmed and the storm drains cleaned near you.

Please remember that all debris that ends up on the street...ends up in our drains, retention ponds and canals. Please do not blow your leaves onto our roads for others to clean up. (This applies to your professional yard service too.)

Harbour North now has a Facebook page!

24 minutes, 15 miles

Catty Shack Ranch Wildlife Sanctuary is a nonprofit organization located in Jacksonville, Florida. Their mission is to provide a safe, loving and forever home to endangered big cats and to educate the public about their plight in the wild and in captivity. Their primary focus is on the rescue of exotic animals from serious situations. Once an animal arrives at Catty Shack Ranch, they have a loving, forever home for life. They do not breed, trade, sell, or buy any of our residents. Their current residents include tigers, lions, pumas, leopards, lynx, foxes, and coatimundis.

Our next board meeting will be on June 21st at 7:00 at the home of Kathie O'Neil
4510 Beacon Dr. W.
Come join us as we plan our next event!
