(b) "Motion" means a proposal that certain action shall be taken or shall not be taken or a certain view be expressed.

RULE 3.102 PREPARATION OF LEGISLATION

Responsibility. Resolutions will usually be prepared by the Harbour Waterway Special District Attorney upon the request of the Chair, District Manager or any Board member. Any resolution not prepared by the Attorney should be reviewed by the Attorney before it is scheduled for public hearing. All resolutions prepared by or submitted to the District shall be approved by his office as to form.

PART 2. PUBLICATION; PUBLIC HEARING

RULE 3.201 MATTERS TO BE PUBLISHED

(a) The following matters shall be published:

The titles of all proposed resolutions shall be published in the agenda for the meeting at which it will be considered. Upon a determination of good cause by the Chair, stated in the record, the Board may take action on resolutions for which the title was not published in the agenda.

RULE 3.202 MANNER OF PUBLICATION

Official advertisements and notices that require publication shall be submitted to the District Office to be published for the prescribed period of time in a newspaper which meets the requirements of Sections 50.011 and 50.031, Florida Statutes, for publication of legal and official advertisements. RULE 3.203 PROOF OF PUBLICATION

Proof of publication shall be obtained by the District Office as provided by Sec. 50.041, F.S. The original proof of publication shall be filed in the District Office.

RULE 3.204 PUBLIC HEARINGS: BOARD OF SUPERVISORS

(a) Public Hearing Defined. A public hearing is a specified portion of a meeting of the Supervisors in which the privilege of the floor is granted to the general public and members thereof may address the Supervisors on the subject for which the public hearing is called. A public hearing is designed to elicit comments and observations from the general public and to afford the members of the general public an opportunity to speak directly to the full Board.

(b) When Held. Although the Supervisors need the comments and observations of the members of the general public, the business of the Board requires that public hearings by the full Board be held to the minimum number. Consequently, except for public hearings required by law, a public hearing by the full Board will be scheduled only by order of the Chair, or a majority of the Supervisors present at any meeting.

(c) Conduct of Public Hearings. When the Board of Supervisors holds a public hearing on a proposed resolution, the Chair shall announce that the time for the public hearing has arrived and declare the same open to the general public. The sponsor of the resolution will speak first, explaining the proposed action to the Board. Next, all those in favor of the action will be given an opportunity to speak, then those in opposition to the action; the sponsor shall then be given an opportunity to reply to the claims and allegations of the opponents. The Chair may impose reasonable limits on the number of people allowed to speak and on the length of time each person may speak. At any time during the public hearing, the Supervisors may question any speaker concerning the speaker's remarks and they may recall any speaker for clarification of his previous remarks or for additional remarks. When all members of the general public who have been scheduled to speak have done so and the Board has finished their questions of the speakers, the chair shall declare the public hearing to be closed; and no further remarks shall be heard from the general public. When the public hearing is closed, a motion may be made and voted upon in accordance with all procedures contained herein.

The Supervisors may question a speaker only to elicit information, comments or opinion and may not debate the merits of the legislation, either with a speaker or among themselves, during the part of the hearing open for public input.

(d) Public Hearings without a Pending Resolution. The Board may schedule a public hearing on a matter when there is no resolution concerning such matter pending before the Board, in order to determine the need for possible action and to gather information to be used in drafting an appropriate resolution.

(e) Recess. Public hearings may be recessed by order of the presiding officer or by a majority of the Supervisors present, to a time certain.

(f) Continuances to Agenda Items. The Board shall consider requested continuances be set for a time certain at subsequent Regular, Workshop or Special Meetings of the Board, however, the Board reserves the right to set such agenda items on a staggered meeting schedule.

At the close of the business day, the Board, upon the request of the Chair or any Supervisor, with a vote of the majority, may defer or continue any or all of the remaining agenda items or public hearings to a date and time certain, either at a Regular, Workshop, or Special Meeting which shall be properly noticed.

RULE 3.205 PUBLIC HEARINGS; COMMITTEES

(a) Public Hearing Defined. A public hearing is a meeting of a committee during which the privilege of the floor is granted to the general public and members thereof may address the committee on the subject for which the public hearing is called. A public hearing is specifically designed to elicit comments and observations from the general public and to afford the members of the general public an opportunity to speak directly to the committee concerning a particular matter of great public interest or importance. All meetings of a committee are public meetings, at which the public may, at the pleasure of the committee, address the committee; but a public hearing is an extraordinary procedure used only to gain information not otherwise obtained or to hear both sides of a controversy or to argue the merits of a matter.

(b) When Held. A committee shall hold a public hearing when ordered by the Chair, the Board or a majority of the committee members. A committee shall hold a public hearing only on a matter referred to it. Public committee hearings may be held in any public building within one mile of the District.

(a) Recess. Public hearings may be recessed by order of the committee chair to a time certain.

PART 3. MISCELLANEOUS COMMUNICATIONS

RULE 3.301 RECEIPT OF MISCELLANEOUS COMMUNICATIONS

The District Manager, or in the absence of a District Manager, the Chair shall receive all miscellaneous communications addressed to the Board. Within the meaning of these Rules, a "miscellaneous communication" is a letter, report, paper, or other document that does not relate to the resolution under consideration by the Board or any committee. Upon receipt, the District Manager/Chair shall forward the miscellaneous communication to the Chair for such other action or procedure as the Chair may deem appropriate.

RULE 3.302 DISPOSITION OF MISCELLANEOUS COMMUNICATIONS

Miscellaneous communications may, at the discretion of the Chair, be referred to the appropriate committee for report.

RULE 3.303 READING OF MISCELLANEOUS COMMUNICATIONS

Miscellaneous communications shall not be read to the Board by the District Manager/Chair, unless a majority of all the Board requires such reading.
